Before Golfing and Swimming

Geneseo Country Club requires everyone to register at the Pro Shop before teeing off or swimming.

Golf Etiquette

Always **replace your divots** on the fairway right away. Doing this keeps the golf course looking nice and may stop another player's ball from landing in the hole the divot made.

Always **rake the sand** in the bunker after you have hit your ball out. Be sure to rake over the area where you hit your shot as well as any footprints that may be in the bunker.

When you **fix the ball mark** on the green where your ball has landed, take the time to fix at least two other ball marks. Doing this will help the green look its best.

Slow groups will allow **faster groups to play** through.

Golf Cart Rule:

There will be no more than one power cart per twosome, two power carts per threesome or foursome, and three power carts per five-some. A maximum of three power carts is permitted for each group.
